RE. Docket # 04-00369  
Request for Further Extension

Dear Chairman Miller:

This letter regards the above Docket in the matter of the RTC Communications, Inc. Application for Certificate to Provide Facilities-Based and Resold Competing Local Telecommunications Services (Application).

In correspondence of February 4, 2005, an extension of 90 days from the December 14, 2004 deadline to provide supplemental information required by the Tennessee Regulatory Authority was requested on behalf of RTC Communications, Inc. That 90 day extension extends to March 14, 2005.

In the interim, the Applicant has made a decision to submit the above Application in the name of a newly formed entity, and is in the process of securing the necessary documentation for the new entity, such as the Articles of Incorporation and Secretary of State registration. Upon completion of this process, a petition to amend the above Application to reflect the new entity will be submitted.

Therefore, we respectfully request an extension of 60 days from the March 14, 2005 deadline to May 14, 2005. Enclosed are the original and thirteen (13) copies of this request for extension.

If you should have any questions regarding this request, please contact the undersigned.

Sincerely,

John Becci  
Manager - Regulatory Affairs
